Subject: Invitation: Briefing on EPA's Wise County, TX retrospective case study report

Dear Texas state officials:

Jerry Strickland, Governor's Representative

Bryan Shaw, Chairman, Texas Commission on Environmental Quality

David M. Coover, Exec. Assistant/Special Counsel to Chairman Bryan Shaw, Texas Commission on Environmental Quality

Richard Hyde, Executive Director, Texas Commission on Environmental Quality

Lori Wrotenberry, Director, Railroad Commission of Texas

Milton Rister, Executive Director, Railroad Commission of Texas

On behalf of the EPA, you are invited to participate in a briefing on the EPA report *Retrospective Case Study in Wise County, TX Study of the Potential Impacts of Hydraulic Fracturing for Oil and Gas on Drinking Water Resources on Wednesday, May 13, 2015*. The meeting will be held at the US EPA Region 6 office, 1445 Ross Ave, Dallas, TX 75202 (Fountain Place Building, corner of Ross Ave and Field St), 12th Floor Conference Center from **9:00 to 10:00 am Central Time**. Please note you will be required to check-in with security and present government-issued photo identification. Please allow an additional 15 minutes for security screening. If you are unable to attend the meeting in person, we can set up a videoconference option.

Dr. Thomas Burke, Deputy Assistant Administrator for Research and Development and EPA Science Advisor, and other staff from EPA's Office of Research and Development will brief state agency directors on the EPA's report.

The information presented at this meeting and discussed is embargoed until the reports are publicly released.

Please confirm your participation by emailing both me (matthews.lisa@epa.gov) and Michael Bueno (bueno.michael@epa.gov) at your earliest convenience. Please contact me on 202-564-6669 (office) or 202-577-4035 (mobile) if you have any questions about this meeting.

Regards,

Lisa Matthews
